## Joint Muscles

1. Place the band below the jaw, adjusting it with the elastic at the top of the head.
2. It doesn't need to be tight, and the light should cover the area below and in front of the ears.
3. Press  twice to activate the red and infrared light.
4. Allow the device to turn off (15 minutes), repeat this process twice a day for three days.
5. After completing the process, repeat it with the band reversed, adjusting the elastic under the jaw.
